We are excited to announce that recent MDHHS orders have allowed us to resume indoor visits – by appointment only!

There remain some requirements visitors should be aware of:

- \* An appointment is required for visiting.
- \* Testing for Covid-19 is required. We can perform a rapid test upon arrival or you can bring proof of a negative test that was obtained within 72 hours of your visit.
- \* Screening for Covid-19 symptoms including temperature will take place.
- \* Mask and hand hygiene will be required.
- \* Number of visitors is limited to not more than 2 per visit.
- \* No physical contact with staff or residents (6 feet social distance is still required)
- \* No sharing of food items during the visit.
- \* No pets at this time.

We are requesting that visitors arrive 25 minutes prior to their scheduled visit for the required Covid-19 screening and testing process. Actual visit time will be 30 minutes. At this time, appointments are available on Mondays, Wednesdays, Thursdays, and Fridays (Subject to change).

Please understand that visitation is allowed as long as LCMCF remains 14-days free of new Covid-19 cases. Staff and residents continue to be tested regularly for Covid-19, any new cases may require cessation of this visitation plan. These plans are also subject to change in accordance with MDHHS and CDC guidelines.

The full guidance can be read here:

[https://www.michigan.gov/coronavirus/0,9753,7-406-98178\\_98455-553388--,00.html](https://www.michigan.gov/coronavirus/0,9753,7-406-98178_98455-553388--,00.html)

Window and virtual visits remain available and no testing or screening is required.

**Please call ext.350 to schedule your indoor visits.**

All other visits can be scheduled through the activities department at ext. 157.
